Real Estate Sales Manager (M/F)

A **huge international fund** is now hiring a Real Estate Sales Manager to assume and perform the following responsibilities: streaming and monitoring sales, oversee the pipeline of dispositions of smaller assets in the portfolio, develop the sales networks – NB branches and external channels, development of an incentive scheme for the granular assets.

We are searching for professionals with a minimum of 7 years of **experience as a Sales Manager in Real Estate**, a university degree in architecture, business administration or economics.

If you match the required profile and want to join this ambitious project please send your English CV to:
