

The “Ouvrons Perrache” project and the Confluence neighborhood

PRESENTATION

Environmental quality : greening, public spaces, scenery, urban well-being

SUMMARY

1

The Confluence neighborhood : is it a pleasant place to live ?

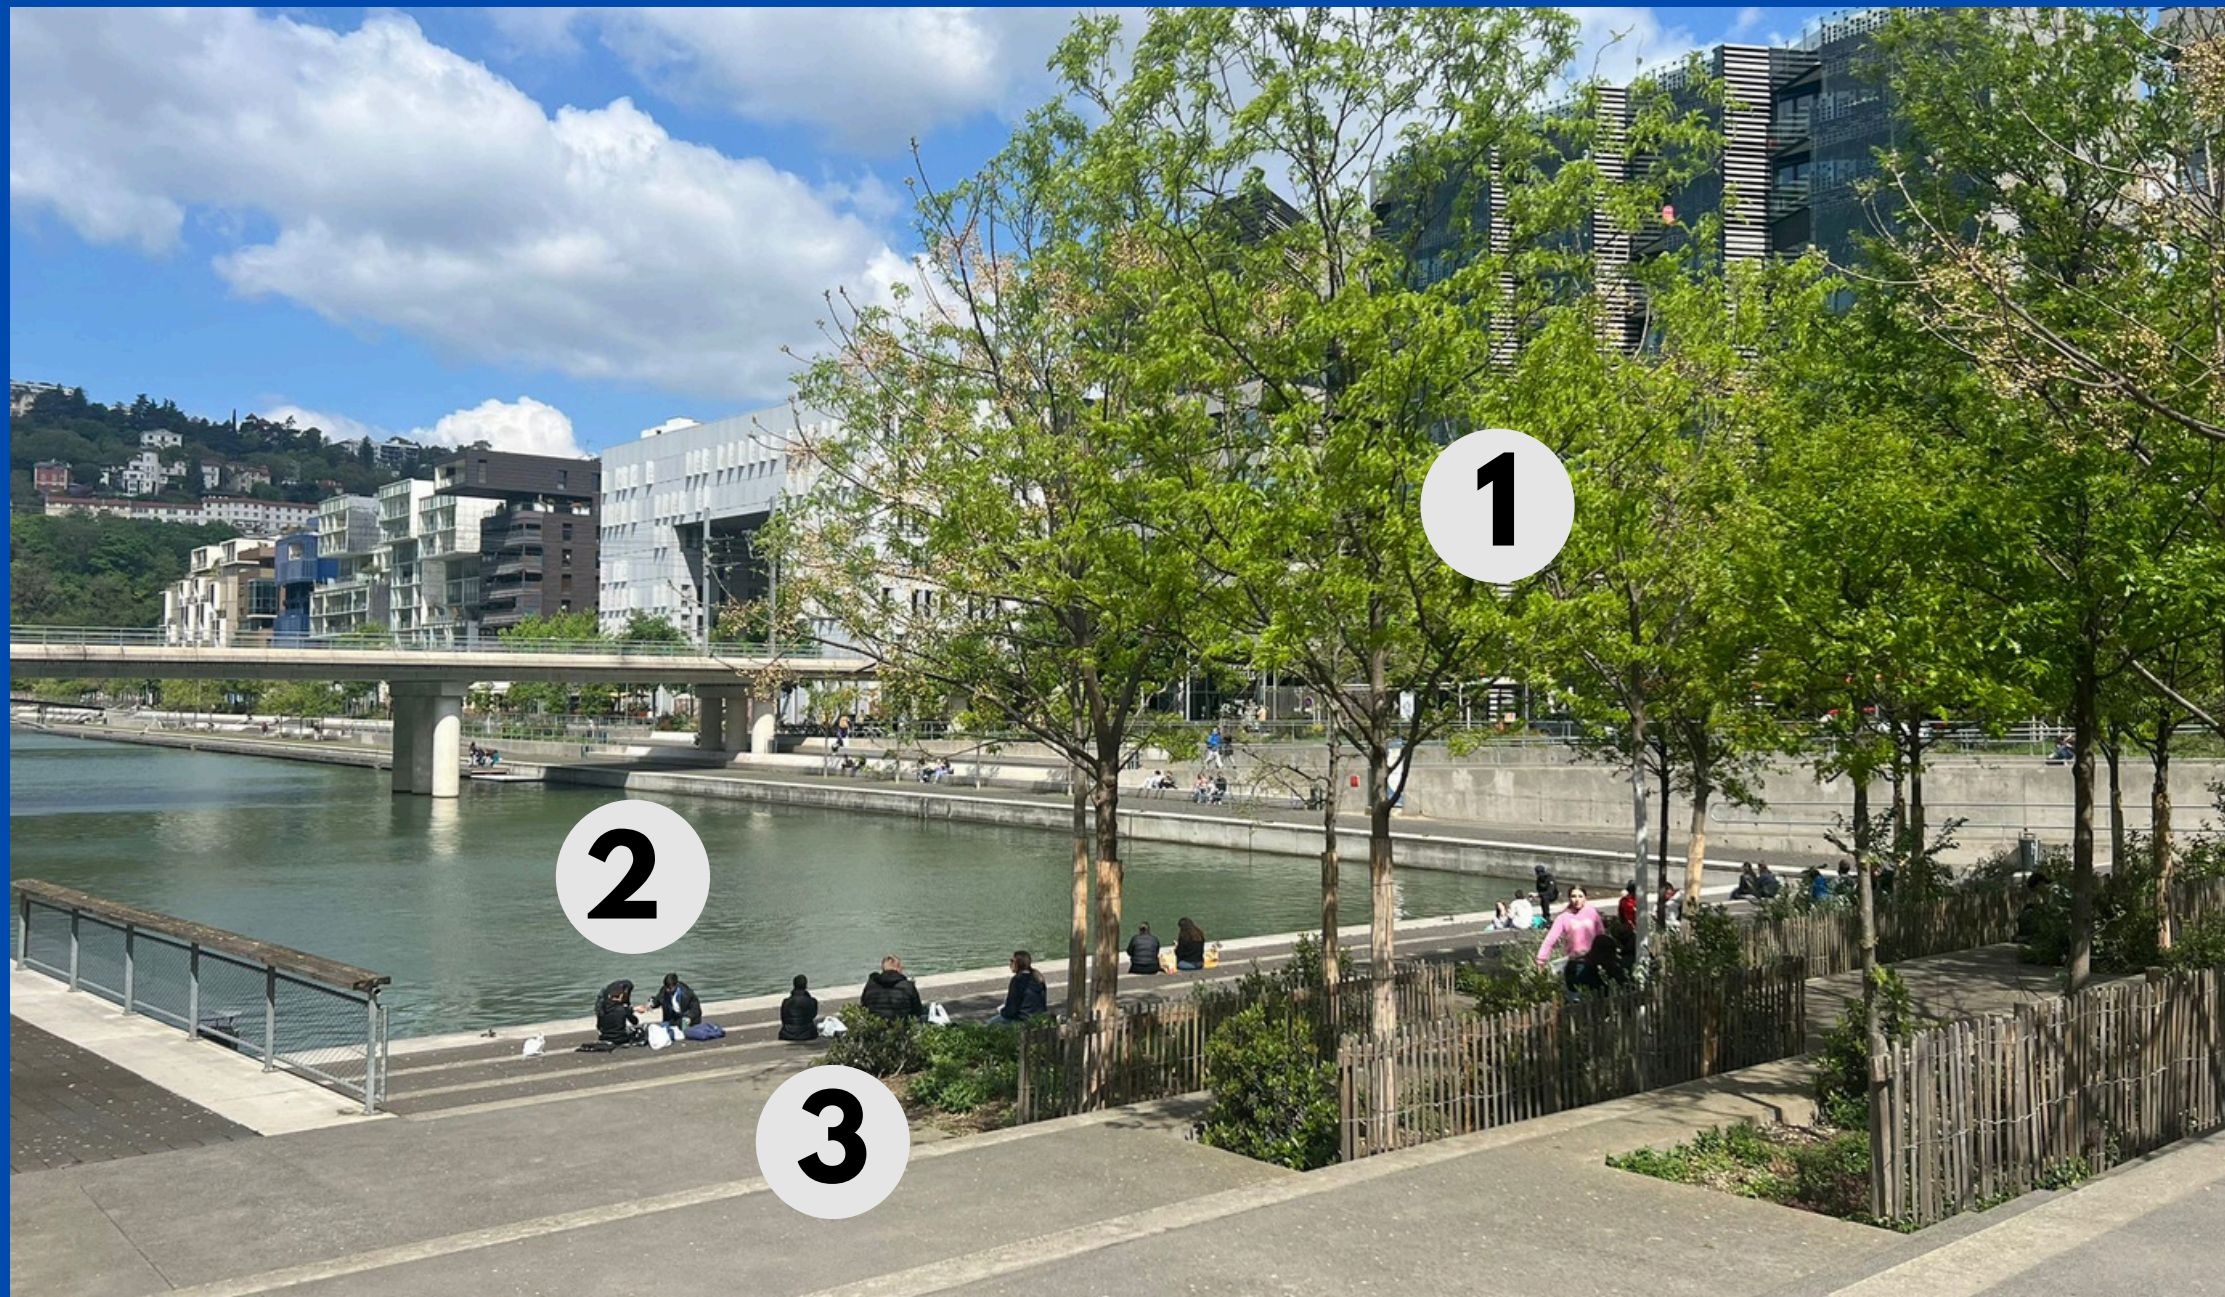

2

“Ouvrons Perrache” project : what are the issues ?

3

Back to the interviews / Conclusion

The Confluence neighborhood

1

Trees have been planted to make the neighborhood a more pleasant place to live : greener and providing shade for residents and visitors

2

Water helps refreshing the atmosphere

3

Urban well-being to promote relaxation

ABOUT THE CONFLUENCE NEIGHBORHOOD

ABOUT THE “OUVRONS PERRACHE” PROJECT

ABOUT THE “OUVRONS PERRACHE” PROJECT

ABOUT THE “OUVRONS PERRACHE” PROJECT

ABOUT THE “OUVRONS PERRACHE” PROJECT

Goals of this project :

- Calm and improve public spaces
- Revegetation in order to decrease temperature felt (urban heal effect)
- Creates comfortable places for the travelers and local inhabitants

ABOUT THE INTERVIEWS

“Honestly, there aren’t enough green spaces, it’s way too concrete here.”

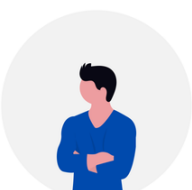

“It’s not really suitable for families, we clearly need more playgrounds.”

“At night, some areas are quite dark, so it doesn’t feel very reassuring.”

“Noise and pollution really affect the quality of life.”

“I imagine a more lively place with fewer cars.”

“It’s really confusing, especially if you don’t know the place.”

THANK YOU
